Be a Part of the Top 100 Women in Business Community in Scotland Awards Lunch November 2024

Business Women Scotland (BWS) proudly presents the Top 100 Women in Business Awards, an esteemed event celebrating the achievements of women in business across Scotland. Founded by Lynne Kennedy MBE, BWS is dedicated to highlighting and showcasing the remarkable contributions of women entrepreneurs in various sectors, inspiring future generations to excel.

Inaugural Success:

BWS received an overwhelming response with over 800 entries for the inaugural Top 100 Women in Business Awards. Lynne Kennedy MBE expressed her delight, emphasising the importance of recognising women across all business sectors and the significance of inspiring future leaders.

Transparent Judging Process:

The awards are distinguished by their transparent judging process, ensuring fairness and impartiality. A panel of esteemed judges meticulously reviewed the entries and selected the top 10 finalists, ultimately honouring two exceptional women as joint winners.

2023 Shortlist Highlights:

The 2023 shortlist featured exemplary women such as Angela Prentner-Smith, Gill Baird, Lorna McFarlane, Aileen Campbell, Ishani Malhotra, Audrey Carlin, Chloe Milligan, and the dynamic duo Rickie Tank and Diane Francey. These women represent the resilience, expertise, and success that define the Scottish female entrepreneurial spirit.
